## **ROMANCE THE WIND ABOARD A TALL SHIP**

**“The *Star Clipper* is as fleet as the wind and as graceful as a swan.”**

**There are few adventures more thrilling than sailing aboard a “tall ship”.** Anyone who has experienced it can tell you — there’s a moment when you feel the wind catching the sails, and suddenly you’re flying. This is a true clipper ship reflecting her proud heritage in every inch of her polished brass and gleaming brightwork. Step aboard this unique vessel and discover a new age of sailing, where the traditions of the past are happily married to the comforts and amenities of the present day. *Star Clipper* is a modern cruise ship in every way, with four masts, 16 sails, and motor propellers too, created for luxury-loving passengers who also love the traditions and romance of the legendary era of sailing ships. *Star Clipper* is 360 feet long (longer than a football field!) and carries just 170 guests in pampered comfort.

Life aboard is blissfully relaxed, much like traveling on a private yacht. You’ll never feel confined on *Star Clipper*. The ship offers spacious accommodations and expansive teak decks with ample space and not one, but two swimming pools. In fact, you’ll find that these ships offer more outdoor space per passenger than most conventional cruise ships.

The décor of *Star Clipper* is reminiscent of the grand age of sailing. Antique prints and paintings of famous sailing ships please the eye, while teak and gleaming mahogany rails are richly reminiscent of Star Clippers’ proud nautical heritage.

The *Star Clipper* features open-seating dining in an elegantly appointed dining room, a convivial indoor-outdoor Tropical Bar and Piano Bar, and an Edwardian style library where a Belle Époque fireplace glows with a warmth that reflects the friendliness and enthusiasm of Star Clippers' hospitable officers and crew.
